## NYC Privacy Day, Spring 2024

We are excited to host the NYC Privacy Day at New York University. This is an in-person event. The format will be similar to the [Fall 2023 NYC Privacy Day](#), but with a few additions. We will have invited talks, contributed posters (with in-person voting for the best poster award!), good food, and a lot of NYC area privacy folks to chat and network with!

## Event details

**When:** Friday, **April 19, 2024**, 9:30 am to 4:00 pm EDT

**Where:** [NYU Center for Data Science, 60 5th Avenue, 7th Floor, New York, NY 10011](#)

**Who:** Please **RSVP by April 10** to help us plan for posters, catering and space.

- **3:30-4:00 PM:** Community Discussion

**Note:** The schedule and sessions are subject to change. Please check back for the latest updates.

## Poster Session

When you RSVP, you will have the opportunity to register your interest in giving a poster. This can be a recent poster from a conference, a new poster on work in progress, or even a proposal poster on a project you are thinking about starting.

**We will be presenting a best poster award based on realtime votes from attendees.**

**RSVP sooner to increase your chances of presenting a poster!**

*Further Details: We have limited space for posters, so depending on interest will make a selection so as to represent the greatest variety of submissions. We cannot accomodate poster print requests, so please bring your own poster, but we will provide boards and easels.*
